

**ITEM MAYORAL MINUTE - COUNCIL WINS LOCAL GOVERNMENT
EXCELLENCE AWARDS**

Department Executive Services

Author Initials: HM

REPORT

The NSW Local Government Excellence Awards were held last month in Sydney. The awards highlight the great work carried out by Councils in their communities.

The City of Canada Bay were finalists in five (5) categories for our projects and programs, the only Council to achieve such a feat. The categories were:

- Excellence in Community Development and Services
- Excellence in Creative Communities
- Excellence in Environmental Leadership and Sustainability
- Excellence in Leadership and Management
- Excellence in Risk Management

I am very pleased to inform Council, that we won the Excellence in Environmental Leadership and Management Award (for our Concord West Sustainable Village project) and received a Highly Commended in the Excellence in Risk Management (for our Pokémon Go management).

I ask Council to join me in congratulating all the staff involved in all projects for their hard work and dedication.

RECOMMENDATION

THAT Council receive and note the report.
