**REPORT**

I would like to bring to Council's attention, the work the Saem Teu Korean Baptist Church in Rhodes have been undertaking in the wake of the Pokémon Go craze in our community.

With increased waste and rubbish accumulating around Rhodes, in particular around Peg Paterson Park, from the increase in visitors to the area, volunteers from the Saem Teu Korean Baptist Church have been assisting Council in cleaning up the park and the streets of Rhodes.

We are so fortunate in Canada Bay to have such an engaged community who want to ensure our community remains a clean and beautiful place to live.

I ask Council to join me in thanking the volunteers from Saem Teu Korean Baptist Church who have joined in to help clean-up for the benefit of our community.

**RECOMMENDATION**

THAT the Deputy Mayor write to the Minister of the Saem Teu Korean Baptist Church thanking the members of the congregation for assisting with the clean-up of litter in Peg Paterson Park and the streets of Rhodes during the Pokémon Go craze.
