REPORT

Our City is renowned for its wonderful natural environment, our beautiful parks, open spaces and foreshore walks.

Part of the beauty of our City is courtesy of our residents in building and maintaining beautiful gardens. To celebrate this work, our third annual “Colour the Bay” Garden Competition was held recently, with six competition categories:

- Finest House Garden
- Sustainable Garden
- School Garden
- Balcony Garden
- Courtyard or Small Space Garden
- Native Garden

I now ask Council to join me in congratulating this year’s winners.

- John Sheldon – Winner of Finest House Garden
- Carlo & Catherine Valpiani – Winner Sustainable Garden
- St Ambrose Primary School – Winner School Garden
- Diana Carrick – Winner Balcony Garden
- Sidney Briggs – Winner Courtyard or Small Space Garden
- John Younie – Winner Native Garden
