

**MM-2 MAYORAL MINUTE - MAYOR'S GOLF DAY RAISES FUNDS FOR
CARACARE**

Department Executive Services

Author Initials: AT

REPORT

The Mayor's Golf Day was back in 2017, following a break in 2016 due to the threat of amalgamation. This year's Mayor's Golf Day was held on Friday, 17 November and saw a full contingent of teams enjoy a wonderful day of golf, all in the aid of fundraising.

The Golf Day raised \$30,000 of much-needed funds for local Concord charity CaraCare, who provide support for children who have experienced abuse or trauma. The funds raised will assist CaraCare in running tailored ten week programs to assist children of all ages.

I would like to thank CaraCare for the amazing and inspiring work they do to help vulnerable children, providing them with a safe environment in which they can heal and grow.

It is now my honour to present this cheque for \$30,000 to CaraCare CEO Mary-Jo McVeigh.

RECOMMENDATION
