

MM-2 MAYORAL MINUTE: DRUMMOYNE WATERPOLO CLUB

Department Executive Services

Author Initials: AT

REPORT

Council will be well aware of the many successes that the Drummoyne Water Polo Club has experienced over so many years, and I am pleased to say that the members of the Girls Under 14 Team are carrying on that tradition.

In the past few months the team has won the State Club Championships held in Gosford, the National Club Championships held in Brisbane over Easter, and the Sydney Club competition. Their record of being undefeated in their past 38 games is impressive, having scored 437 goals with only 58 scored against them during that time.

Earlier this evening I was pleased to host a reception for the Girls team where they were presented with congratulatory certificates, acknowledging such an outstanding season. Certificates were awarded to Nicole Chaney, Emma Jones, Isabella Faulder, Kayla Rogers, Ruby Borozan, Phoebe Pride, Jasmine Yip, Sarah Kerrison, Gabby Hall, Lilli Borozan and Olivia Hill. In addition, 8 of the girls from the team have been selected to play at the East Coast Challenge being held in Sydney between 4th and 7th July this year. Four have been chosen for the Blues team and four in the Waratahs team. Emma has been selected as Captain of the Blues team.

The collective experience that these girls have brought to the Drummoyne Water Polo Club and to the game of water polo generally, coupled with their individual expertise is an achievement of which they can all be extremely proud.

RECOMMENDATION

THAT Council offer its congratulations to the girls from the Drummoyne Water Polo under 14s on their outstanding achievements.
