CONCORD NSW 2137

Dear Resident,

### **Queen Elizabeth Park Commemorative Garden Restoration**

As part of our ongoing commitment to the community, Council is pleased to announce upcoming restoration works at the Queen Elizabeth Park Commemorative Garden in Concord.

The project will involve the restoration of the existing stonework and the addition of new landscaping, enhancing the garden and its surrounding circle to restore it as a prominent feature of the park.

The works are scheduled to commence in early February 2025 and are expected to be complete by the end of May 2025, weather permitting.

Works will be carried out between Monday to Friday from 7am to 5pm, however, there may be instances where work will be required to be undertaken outside of these hours.

We are working towards improving our local community and thank you for your patience and cooperation during this time.

Should you require further information, please contact our Project Manager, Ken Guo on 9121 0092.

Kind regards,
