This matter is considered to be confidential under Section 10A(2) - (d) (i) of the Local Government Act, as it deals with commercial information of a confidential nature that would, if disclosed prejudice the commercial position of the person who supplied it.

Further it is considered that discussions of this matter in open Council would, on balance, be contrary to the public interest as it would prejudice Council's ability to secure the optimum outcome for the community.

ITEM 17.1 WASTE COLLECTIONS TENDER

RESOLVED 140/24

Moved: Cr Jago

Seconded: Cr Cordaro

That:

1. Council is satisfied that, pursuant to Section 10A(2) of the Local Government Act 1993, the information to be received, discussed or considered in relation to this agenda item is:
 - (c) information that would, if disclosed, confer a commercial advantage on a person with whom the Council is conducting (or proposes to conduct) business.
 2. Council pursuant to s 55(3)(i) of the Local Government Act 1993 (NSW) resolves that because of extenuating circumstances and the unavailability of competitive or reliable tenderers, a satisfactory result would not be achieved by inviting tenders for the provision of the waste services referred to in the report.
 3. Council notes that the reasons for Council's decision that a satisfactory result would not be achieved by inviting tenders for the provision of the waste services are that:
 - (a) new regulatory requirements, and uncertainty regarding their implementation, have caused delays to the current planning for a tender process for a long-term waste services agreement;
 - (b) if Council was to proceed with the tender process for a long-term waste services agreement it is unlikely that in the timeframe, informed by the expiry of the existing contract, Council would achieve the best value for money;
 - (c) by delaying the issue of the tender process for a long-term waste services agreement Council would be more likely to achieve the best value for money;
 - (d) the delay could only be facilitated through the engagement of a contractor to provide short-term services, and Council considers that only the current contractor would be in a position to supply those short-term services without disruption to the services.
-

4. The General Manager be authorised to:
- (a) directly negotiate with the person nominated in the report with a view to entering into an agreement as described in the report for a term that does not exceed the term specified in the report; and
 - (b) execute any agreement, and associated documentation, on behalf of City of Canada Bay Council arising from those direct negotiations.
